The petrs have no special interest in the case beyond their general interest as residents of the Village. The question is whether certain lands, Nos it seems to be one indivisible are Rev dept Inam, viz copy of Parmashe patta of Krishnappa 1865-66) produced by petrs does not show any value after the Settlement, does not show that the lands mentioned therein are Inam

The Amildars were given ample to prove that the lands were waste but were unable to do so.

Serial No 19 - which is an extract from the Vasool Baki account - shows that the lands were lying waste at the time of settlement (in 1882) and had been lying waste for 5 or 6 years before settlement. It does not show whether the lands were of first or second quality - the columns for showing this being left blank.

From 1882 the lands were in the khatah of the temple. If so how did the lands become waste - why were they so treated by the Dept. Apart from the question of the land is there any other reason to be given for the conclusion arrived at that they were the khatah lands of the temple. Mere statement should not be accepted.

Sir,

With reference to official Memorandum No Rt/487, dated 16th September 1897, giving cover to appeal petition No 633, dated 24th August 1897 from Nadè Gowda and others of Janivara village, in the Hassan Taluk, appealing against the order of the Deputy Commissioner confirming the sale of certain lands Survey nos 10, 47, 53 and 22 and holding that the said lands are not Devadâya Inam lands, I have the honour to report the facts of the case (viz) as follows:—

2. On 17th November 1893, one Srirangachar of Belur applied to the Amildar of Hassan Taluk for Survey nos 10-22-47 and 53 of the Janivar village and alleged that they were said to be once Inam lands but subsequently treated as Government waste. The darkhast was forwarded to the Shekdar with a notification for sale of the lands as they were included in list B; and the Shekdar was also directed to report if the the lands were once Inam and then treated as Government waste. The Shanbogue endorsed that the lands were Inam till the year Ramathi, when, during the Survey Settlement, they were resumed as the temple was not in good order. He further endorsed that the temple is now in repairs

and

and that puja is now being made and that the villagers have been paying Inâbarmi on these lands

3. On 30th November 1893, the villagers of Jamivar
+ No 9 petitioned† the Amildar of Hassan that the lands might not be given to others on darkhast as the temple would fall to ruins and this petition was sent to the Shekdar for a report if the temple was in good order and what had become of the Inam lands.

+ No 2 4. On 10th December 1893, the Shekdar reported† that there was a combination on the part of the villagers against the sale of the lands and that they therefore refused to estimate their value.

5. On 15th January 1894 the darkhastdar, Srirangpa
+ No 6 Char petitioned† the Amildar stating that the allegations urged by the villagers were false. The Amildar there-
+ No 8 upon observed† that neither the Inam Register nor the Inam Resume Register showed that there was any Inam to the temple and wanted to know under what authority the Shanbogue had endorsed that these lands were once Inam. He further directed the Shekdar to show the lands to him.

6. On 22d January 1894, Mode Gowda (Appellant)
+ No 1 applied† for the Survey Nos in question and prayed that the Khate thereof might be made in the name of
+ No 5 the temple. On the same day the villagers petitioned the Amildar praying that the lands might be made out in the name of the temple. The Amildar thereupo directed the Shekdar to stay sale and return the records. The Shekdar accordingly stayed the sale
No 11 and returned the records with a report† that the lands in question once formed the Inam of the temple

b.o.

but were resumed at the Survey Settlement. He further reported that the temple was since repaired and that one Ubbadane Rangaiya was performing the puja

7. In reply, the Shekdar was informed† that there was no reference to show that these lands were once Inam, and was therefore asked to report if anyone of the villagers was ready to pay the Kandayam of the lands if they are registered in the name of the temple. No 11

The Shekdar submitted the records together with a mutchalika† executed by Patel Mole Gowda (Appellant) that he would pay the Kandayam of the lands if registered in the name of the temple. No 10

The Amildar in his no 1215, dated 22d June 1894, reported† that the lands in question were not entered as Inam in the Inam Register prepared in 1846 nor were they entered in the Resume Register. He recommended that the lands might be registered in the name of the temple Patel Mole Gowda binding himself to pay full assessment—— × No 16

This report of the Amildar was referred to the Thuzroy Assistant Commissioner who directed† (ditto) the Amildar to make a search in the Taluk records for a reference to show that these lands were once Inam and that if no such reference was forthcoming, to dispose of the application under the darkhast rules.

The Amildar accordingly enquired of the Shanbogue who deposed† before him that the lands in question were Government lands No 20

and

and were not registered in the name of the temple as Inam but the Patta whereof stood in the name of the Anjaneya Devaru before the Survey settlement and as they were lying waste, the same were treated as Government waste during the Survey settlement and that since then Kulbanni was being collected from the villagers. He produced an extract from the Vasthaki Accounts prepared in 1882 to show that the lands stood in the name of the Anjanêya Dêvaru. No 19

The Amildar forwarded to the Shekdar on 13th August 1894 a notification for sale of these lands on 22d September 1894. On 28th August 1894, the villagers petitioned the Deputy Commissioner protesting against the sale and he directed the Amildar to send the records staying sale, if the allegations contained in the petition were true. At the sale of the numbers that was held by the Shekdar on 22d September 1894, none came forward to bid for them and the darkhastdar Srirangachar was reported to have gone to Belur. The Deputy Commissioner in returning the records to the Amildar asked him to report if the darkhastdar Srirangachar was prepared to pay a sum of Rs 210 which was fixed by the Shekdar as the upset price of these lands in the Havaz patties. As Srirangachar declined to pay the amount fixed by the Shekdar, the Amildar inspected the lands in + (dita)

in person and reported† that the lands were estimated to be worth Rs 70/- in all. He added that some of the villagers present at the time of his inspection expressed their desire to bid for the lands if sold in auction. † No 31.

The Deputy Commissioner returned the records to the Amildar with directions† to recommend the restoration of these lands as Inam, if the villagers produced any references to show that they were once Inam lands and if the temple was in repairs; but that if no such reference was forthcoming in the Taluk, even after a research the lands might be resold after communicating the same to the villagers † No 33

17. The villagers did not produce any reference but only urged that the lands should be given to their temple.

18. The Amildar thereupon directed the Shekdar to hold the sale on 10th August 1896. As there were heavy showers on the 10th August, the Shekdar adjourned the sale to the 12th idem intimating the same to the persons present. The Shekdar held the sales of the following Survey nos and the amounts of bids are:

year 1882. exists in support of this fact: No assessment, the Maji No 8 is noted in the account. Nor is there any record to show that the lands were Inam attached to the temple. During the five or six years previous to the Survey Settlement, the lands were stated to have been lying waste, owing, as is alleged, to the temple having fallen into a dilapidated condition and the puja or worship of the diety having been stopped. At the Settlement, however, the lands which were said to have been waste, were treated as Government Banzar and entered in the Faisal Patrika. Why the lands became waste and why the Survey Department treated them as Government Banzar is not ascertainable. As the lands were not Inam and no assessment was paid for the same they were evidently taken for having been clandestinely enjoyed by the villagers of Jamivar village with the Connivance and Conjunction with the village officials.

No. 374 Enc 1 file Dated Bangalore 14th September 1898

From,

The Inamdar Superintendent

in Mysore.

To,

The Secretary to the

Government of Mysore

General and Revenue Departments

Sir,

Adverting to your No. 6 Petn dated 5th July 1898, forwarding for expression of my opinion, the file of papers relating to the petition of Molegowda and others of Janivara village in Hassan Taluk, stating that certain Inam lands belonging to the Hanumantharayaswami temple in the village have been sold by

public

public auction to one Belur Singlachar and praying that the sale might be cancelled and the lands restored as Inam to the Temple, I have the honor to state that I have carefully perused the entire records in the case and also examined the Inam Registers; I find no entries in the Government accounts or other evidence to shew that the lands in question were ever held on Inam tenure by the Temple. But, on the contrary, the Survey Vasul Baki Statement of 1882 (Serial No 19 filed in the vernacular records) points to the fact that these lands were then held by the Temple on Kandayem tenure, the temple therein being described as Khate'dar of the lands, and that since, the

lands

lands have lain waste and been treated as Government Banjar.

2. Considering that the villagers have been most eagerly and persistently contending since 1893 to secure the lands for the temple, which is locally an important one, I would recommend that the sale of the lands to Singlachar be cancelled and that the lands be registered in the name of the temple on Kandayem tenure on condition of the villagers themselves paying the assessment thereon and applying the proceeds for the exclusive benefit of the temple, as agreed to by them in their statement made before the Jamabandi Officer on the 13th April 1897.

Enclosure No. 59.

3. The papers received with the communication under

xc/h.E

reply are herewith returned.

in the name of the temple.
on 5/4/94 Mr Sowda
one of the appellants executed
a muchalika that he would

reported to the Dy Com^r on 22/6/94
that there was no proof
that the lands were ever Devann

of the villagers' ~~petitions~~
representations that the
lands might be granted to
the temple on assessment.

The Nazarayi Asst Com^r
to whom the report was referred

directed a further enquiry
as to whether the lands

In the enquiry that followed
the Shanbog produced on 4/8/96
the Vasul Baki Sheet of

The Villagers meanwhile
produced a copy of the

that the temple held inam

On the complaint of the

Called for the records &
passed an order on 27/5/97
declaring that the lands were

Proceedings of the Government of Mysore, Petition, dated 15th March 1899.

(1) Petition No. 633—A. 24 of 1897-98, from Molegauda and others of the village of Janivara, Hassan taluk, appealing against the Deputy Commissioner's order confirming the sale of S. Nos. 10, 22, 47 and 53 of the said village to the respondent.

(2) Correspondence ending with docket No. 1239, dated 14th June 1898, from the Deputy Commissioner, Hassan district.

(3) Letter No. 374, dated 17th September 1898, from the Muzrai Superintendent in Mysore.

The respondent having applied on 17th November 1893 for the lands in question which were lying waste, the Amildar directed their sale by public auction. Before the sale, the villagers petitioned the Amildar, on 30th November 1893 and again on 22nd January 1894, protesting against the sale and representing that the lands were once the inam lands of the village Anjaneyadevaru, and that at least the khate thereof should be made in the name of the temple. On 5th April 1894, Molegauda, one of the appellants, executed a muchalika that he would pay the assessment of the lands if registered in the name of the temple. The Amildar reported to the Deputy Commissioner, on 22nd June 1894, that there was no proof that the lands were ever inam, but recommended, in consideration of the villagers' representations, that the lands might be granted to the temple on assessment. The Muzrai Assistant Commissioner, to whom the report was referred, directed a further enquiry as to whether the lands were ever inam and the sale of the lands if no proof to that effect were forthcoming. In the enquiry that followed, the shanbhog produced, on 4th August 1894, the Vasul Baki Account of 1882, showing that the temple was the khatadar of the lands before survey settlement, and that they were resumed to Government at the settlement. The Amildar thereupon directed the sale of the lands on 22nd September 1894, but the sale was stayed by order of the Deputy Commissioner, to whom the villagers complained. This state of things continued till, on 12th August 1896, the lands were sold by public auction and knocked down to the respondent. The General Assistant Commissioner, to whom the records were submitted for confirmation of sale, reserved the matter for disposal at the jamabandi. The villagers meanwhile produced a copy of the Paimaishi patti of Krodhana (1805-6) showing that the temple had inam lands, but throwing no light as to whether the lands in question were inam. On the complaint of the villagers, the Deputy Commissioner called for the records and passed an order, dated 27th May 1897, deciding that the lands were never inam and confirming the sale to the respondent. Hence the present appeal to Government.

2. The Muzrai Superintendent is of opinion that, as the lands were once in the enjoyment of the temple on kandayam tenure, the sale to the respondent may be cancelled and the lands restored to the temple.

No. 6474-82—PET. F. 64-98, DATED BANGALORE, 15TH MARCH 1899.

ORDER THEREON.—At the time of the survey settlement, the lands in question were entered in the Vasul Baki Register in the name of the temple. It is true there is no evidence of inam grant, but the survey settlement ought to have been in favor of the temple as its private property, if, as is now the case, the patel and other villagers had come forward to pay the Government kandayam. The sale of the lands was made without proper enquiry and without giving the villagers the opportunity of offering to pay the assessment due to Government. Under these circumstances the sale will be set aside and the purchase money refunded to the respondent Srirangachar and the lands restored to the villagers in accordance with their muchalika, dated 5th April 1894, the patta being, from time to time, made out in the name of the patel or other principal raiyat, with the consent of the executants of the muchalika, for the benefit of the temple.

appt. Respondent-
Mole Gowda of Mes of Janivarasa Kalle, Hassan Dt. ABSTRACT
Srirangachar of Belur.

This is an application for review of Govt order No 633 dt 14-3-99 passed in case, No. 24 of 1897-98, on the following grounds:—

Pr[d] 6474-82 / 97 64

1. That if the land in dispute had stood in the name of the deity before the Survey Settlement & after the Settlement, if the villagers had agreed to pay the kandaya it would not have been

d as a Govt waste land;
2. There is no evidence ~~to~~ forth-
-coming from the records to
shew that Govt did not give
an opportunity for ~~permit~~ the villagers to pay
the kandayam of the land,
3. that they were paying Melvaram
to the land just as they were
paying Melvaram to any other
land in the village,
4 that if the land had really
belonged to the temple, it
would not have been left
uncultivated & the temple
would not have been left
to fall into ruins, without
performing puja to the
~~temple~~ deity of the villagers.
would not have stated before
the Govt that if the land
were to be sold they would
bid very high for it. (The
present price is much higher
than its actual price).
5 that the applts have
agreed to pay the kandayam
because they may use it
for grazing their cattle &
which they cannot do if

the land were in the possession of the respdts (Rebts)

6. that the Rebts has paid Rs112 for the land (sale price) & the Kanoogam for it for the year Durmukhi, though he reaped no crop in it, as the Sagavali Chit was granted to him 10 months after the sale on 21-6-97, & afterwards he has spent Rs 200 on it, to make it fit for cultivation.

7. that the Rebts is prepared to give a Muchalika to Govt stating that he would always keep the temple in good order & carry on the worship of the diety regularly out of the money from his own pocket, if the land were given to him.

Prays that the disputed ~~above~~ lands may be given

to him on the above
condition or that the
money spent by him
on the land (price 112 + kandayam 13=15-- + repairs 200)
& the the interest on the sum
from 26-8-96 may be
given to him either from
the ryots or from Govt.
